

Capital Stock

The parent company's authorized share capital is ₱6.64 billion divided into 66.4 billion shares at ₱0.10 par value each, consisting of 39.8 billion Class "A" and 26.6 billion Class "B" common shares.

Only Philippine nationals are qualified to acquire, own, or hold Class "A" shares. The total number of Class "B" shares of stock subscribed, issued or outstanding at any time shall in no case exceed two-thirds (2/3) of the number of Class "A" shares or forty percent (40%) of the aggregate number of Class "A" and Class "B" shares then subscribed, issued or outstanding.
