REPORT OF FACTUAL FINDINGS

The Stockholders and the Board of Directors
Manila Mining Corporation
20th Floor, Lepanto Building
Paseo de Roxas, Makati City

We have performed the procedures agreed with you and enumerated in Appendix I with respect to the updated report on the application of proceeds from the Stock Rights Offering (the Offering) of Manila Mining Corporation (the Company) as summarized in the table included in the Company's Quarterly Progress Report of the Proceeds from the Stock Rights Offering for the Third Quarter Period Covered July 1, 2015 to September 30, 2015 (see Appendix II). The procedures were performed solely to comply with the Philippine Stock Exchange (PSE) requirement for the Company to submit an external auditor's certification on the accuracy of the information being represented by the Company relating to the application of proceeds whenever a report is submitted to the PSE. Our engagement was undertaken in accordance with the Philippine Standard on Related Services 4400, "*Engagements to Perform Agreed-Upon Procedures Regarding Financial Information*" applicable to Agreed-Upon Procedures engagements.

Because the procedures enumerated in Appendix I do not constitute either an audit or a review made in accordance with Philippine Standards on Auditing (PSA) or Philippine Standards on Review Engagements (PSRE), we do not express any assurance on the use of proceeds from the Offering based on the said standards.

Had we performed additional procedures or had we performed an audit or review of the financial statements in accordance with PSA or PSRE, other matters might have come to our attention that would have been reported to you.

We have no responsibility to update this report for events or circumstances occurring after the date of this report.

Our report is intended solely for the purpose set forth in the first paragraph of this report and for your information and is not to be used for any other purpose or to be distributed to any other parties who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. This report relates only to the updated report on the Company's use of proceeds from the Offering and items specified above and do not extend to any financial statements of Manila Mining Corporation, taken as a whole.
